To Whom Concern,

I would like to take this opportunity to introduce you to the Brampton Minor Basketball Association. In our Association, we register approximately 2000 boys and girls yearly between the ages of 5 and 18 to learn and enjoy the game of basketball. We have been in operation for 31 **years** and over that period of time, have seen the growth and enjoyment of our children through this wonderful sport.

Twenty four rep teams travel throughout Ontario, Quebec and the USA, playing in league games and tournaments, while the majority of the children have the opportunity to advance their skills in the local friendly house leagues.

Please note as a non-profit organization we're not permitted to issue receipt for tax reasons, everything is done through volunteers, from the fourteen members on the executive committee, to the twelve convenors, over 150 coaches and assistants, and the hundreds of parents, everyone involved works to ensure that our young people are given the chance to learn the value of being a team player.

As committed volunteers, we recognize the importance of sport for children, and want to continue providing this wonderful outlet for them. Our desire is to maintain our present mandate, which is to allow every child to participate in our association at a minimal charge as possible. In order to accomplish this, we depend on the financial support from companies such as yours. You're vital to our existence. We are currently seeking sponsors for our 2010/2011 season.

Attached, is a list of sponsorship groups to choose from. Our upcoming Scholastic presentation Dinner and Dance set for Saturday February 2011. Full details of our next event will be provided to you on request

If necessary, please let us know if we can supply you with any information pertinent to your decision making. In the meantime please know that we appreciate your consideration, and look forward to a positive response in the near future.

Sincerely yours,

Clyde Beete
